

The Faculty of Tourism

PROGRAMME

SPECIFICATION

Hospitality Management

2018

This piece of paper is to describe the Hospitality Management programme offered by the Faculty of Tourism and is validated by University of Economics - The University of Danang and applicable for the intake 2018.

1. Undergraduate programme in Hospitality Management

The Hospitality Management programme was established to provide students with the necessary skills and knowledge to pursue a variety of careers in national and international hospitality companies. General information of the Hospitality Management programme is shown in Table 1.

Table 1. General information of the Hospitality Management programme

Programme title:	Hospitality Management
Level:	Undergraduate
Type of degree:	Bachelor of Hospitality Management
Mode of study:	Full time
Study duration:	3.5-6 years
Total of credits:	133 (<i>excluding Physical education and National Defence education courses</i>)
Faculty:	Tourism, DUE
Language:	Vietnamese
Website:	http://due.udn.vn/vi-vn/khoa/du-lich
Facebook:	https://www.facebook.com/dulidue
Issue:	April, 2018

2. DUE's educational philosophy

We believe that higher education plays a pivotal role in “the creation of our future society”. As a University, we utilize a liberal education philosophy that focuses on the betterment of humanity, scientific spirit, and the fostering of lifelong learners, who work towards building a progressive and prosperous society. The three pillars of our educational mission are: “Liberal Arts - Self-initiative - Pragmatism”

3. DUE's vision, mission and value system

Vision of UD-DUE

UD-DUE is envisioned as a leading research university in Vietnam, significantly contributing to the prosperity of ASEAN community and human knowledge.

Mission of UD-DUE

As a research-oriented university, we create an innovative academic environment to accelerate knowledge discovery, application, transfer of scientific knowledge of economics and management, ensure successful foundations and life-long learning capacity for learners, nurture and develop talents, tackle the socio-economic challenges, and serve the development of a prosperous community.

Values: The values were built, protected and developed by DUE to become the foundation for all activities: integrity, creativity, cooperation, sympathy, and respect for the individuals

4. Programme objectives

The objectives of this program are to help learners:

- + Possess a profound knowledge base about economics, law, culture, tourism and hospitality management
- + Have sufficient basic skills, work-readiness skills and professional skills in hospitality management
- + Develop lifelong learning competences to confidently show up themselves and improve their employability
- + Become professional hospitality staff and then active, determined and effective hospitality managers
- + Become an outstanding citizen who is responsible for themselves and the society

5. Programme learning outcomes

After completing this training program, students can:

Table 2. Learning Outcomes of Hospitality Management Program

Code	Program Learning Outcomes (PLO)
PLO1	Apply basic knowledge of economics, politics, law, society and culture in managing tourist accommodation establishments in the context of globalization.
PLO2	Manage direct and indirect processes of service delivery in tourist accommodation establishments
PLO3	Benchmark financial, marketing, human resources and supply chain activities of different types of tourist accommodation establishments.
PLO4	Evaluate the business strategies of different types of tourist accommodation establishments
PLO5	Propose various types of business plans and projects for accommodation establishments by taking advantage of advances in science and technology and orientation for sustainable development

PLO11	Perform an effective teamwork in a diverse environment
PLO12	Demonstrate a sense of laws and regulations adherence, social responsibility, professional ethics and business cultures respect

6. Career opportunities and Higher education and student exchange

Career opportunities

Right after graduation, learners can be ready to work as attendants and supervisors in departments in hotels, such as Front Office, Housekeeping, Food and Beverage, Events, Finance, Accounting, Sales, Human Resources etc. After a short time to enrich work experience, learners can get potential higher positions such as manager assistant, managers these departments. The learner can be eligible to even get the top management positions or start up a hotel.

Besides, learners also get job positions in hospitality-related governmental administration and educational institutions.

Higher education and student exchange

Graduates from the Hospitality Management programme can pursue higher education for Master and Ph.D titles. During their study at DUE, students who have outstanding academic performance and adequate foreign language proficiency will have opportunities to participate in student exchange programmes agreed by DUE and its partners.

7. Admission criteria, academic training process and graduation requirements

Admission criteria

Candidates must graduate from a high school in Vietnam and completely meet academic requirements as well as other requirements determined by DUE's Admission Board.

Academic training process

The Hospitality Management programme is designed under regulations of the Ministry of Education and Training and of DUE on a credit-based system. The programme consists of five blocks of courses according to blocks of knowledge and skills expected to be provided for learners, and equivalent to 133 credits. Study roadmap is designed for a standard duration of 4.0 years but can be shortened in 3.5 year or extended up to 6.0 years.

Each academic year consists of 2 official semesters and 1 additional semester (summer semester). Basic courses and fundamental courses in business are mostly delivered in the first three semesters. Studying general courses in tourism normally starts in the second semester. Specialized courses are concentrated in the last four semesters before a graduation internship.

Graduation requirements

Students are considered and recognized by the university when they meet the following conditions:

- Until the time of graduation, they shall not be examined for penal liability or shall not be subject to disciplinary suspension at the time of suspension;
- Have completed all compulsory courses and optional courses prescribed in the curriculum with a total of 133 credits excluding the physical and national defense education modules;
- The cumulative GPA of the entire course is 2.00 or higher;
- Satisfy certain learning outcomes determined by the rector;
- Have certificates of the national defense and security education and complete the physical education module;

- Have certificate of foreign language proficiency (TOEIC 600 or equivalent);
- Have certificate of IT skill (Advanced IT skills or equivalent);
- Submit a request to the Academic Affairs Department to be considered graduated.

8. Scoring system

- Mid-term scores and end-term scores are on a 10-point scale and rounded to 1 decimal place.

- Course score is weighted average score of mid-term scores and end-term score. Course score will be also rounded to 1 decimal place and converted to alphabet scale as following:

Table 3. Scoring system

Classification		10-point scale	Alphabet scale	4-point scale
Pass	Excellent	8.5-10	A	4
	Good	7.0-8.4	B	3
	Average	5.5-6.9	C	2
	Below average	4.0-5.4	D	1
Fail	Poor	<4.0	F	0

9. Learning activities

Students will have the opportunity to experience their learning with highly qualified and experienced faculty. They will be actively involved in learning activities through competency-based and practical teaching methods such as Project-Oriented Learning, Jigsaw, Peer assessment (Peer Grading), Practical Teaching (Work-based Learning), Simulation (Simulation)...

Student-centered assessment methods with the ultimate goal of helping learners improve their learning outcomes continuously.

10. Curriculum Structure

The curriculum of the Hospitality Management programme is structured into five blocks of courses (excluding physical education and national defense education) which allow students to achieve the programme learning outcomes.

Table 4. Blocks of courses and according credits

No	Course sets	Total credits	Weight of total credits	Compulsory credits	Optional credits
1	Block of basic courses	39	29,3%	40	0
2	Block of fundamental courses on business	18	13,5%	18	0
3	Block of general courses on tourism	22	16,5%	17	5
4	Block of specialized courses on Hospitality Management	44	33%	40	4
5	Graduation internship	10	7,7%	10	
6	Total credits	133	100%	124	9
